Get inspired

Vote for the best female fan!

Belgium has a great team for Euro 2016 and a great team often attracts some super female fans. Create battles between the Red Devils' best female fans, and let your audience vote for their favourite.

France

Rank the best players

Thanks to the new "Ranking" campaign type, participants can rank the best players and, for example, pick their man of the match or of the first half.

England

Blind test

Offer your audience a challenge: to find the name or country for each football chant.

Spain

Include video answers

A new Qualifio function lets you include videos in your answers. Put your videos on YouTube, Dailymotion or Vimeo, and create a survey of the best goals from the Euros.

Italy

Checklist for the greatest football fan

Create checklists for the perfect football fan. The more boxes ticked on the list, the more points the fan will get.

Portugal

Mystery player

Use the mystery word format to organise a mystery player contest. But take care to blur the photo or hide the player's face, so the right answer isn't too obvious.

Turkey

Best haircut

Not that interested in sport, but still want to have fun with the event? Thanks to the Battle format, you can, for example, have a vote for the best (or, why not, the worst) haircut.

Germany

Who's going out with who?

Ride the wave of celebrity news, and create a memory game in which your participants have to help players find their better half.
